

TEAM LEADER

Sleep Studies

Permanent Full Time

Owned and operated by Ramsay Health Care, Australia's largest and most respected private hospital operator, Mitcham Private Hospital offers a comprehensive range of medical, surgical, maternity and mental health services.

Located in Melbourne's eastern suburbs, Mitcham has established an excellent reputation for high quality patient care, customer service and staff satisfaction.

Mitcham Private Sleep Centre is a dedicated sleep disorder centre, located close to Mitcham Private Hospital, and has been providing services for the needs of Melbourne's outer eastern communities since 1998 and has recently undergone a renovation.

The NATA accredited Sleep Centre provides quality, full Level 1, overnight sleep studies of the highest international standard for privately insured, DVA and self-funded patients and is supported by a team of accredited, experienced sleep and respiratory physicians, technicians and nursing staff.

The Position

Mitcham Private has an exciting opportunity for a Team Leader to manage and coordinate the Sleep Studies Unit. It involves some sleep study analysis (Diagnostic, CPAP, MSLT). The role is responsible for Quality Control of the service and reporting, facilitating equipment repairs and compliance, staff rosters and training.
