

## **Sleep Scientist – Permanent Part-time:**

Peninsula Sleep Clinic is an accredited private six bed sleep laboratory located in Frenchs Forest, Sydney. We are currently looking for an experienced Sleep Scientist to join our team on a permanent part-time basis.

The successful applicant needs to have excellent communication, organisational and interpersonal skills (liaising with both patients, sleep physicians and staff) and work well as part of a small team and autonomously. An easy-going positive attitude with honed problem solving skills and attention to detail are a must.

### **Responsibilities would include but not limited to;**

- Analysis of polysomnography and report generation
- Involvement in Sleep Physician reporting sessions
- Involvement in in-service program
- Involvement in quality control procedures for signal quality
- Involvement in stock ordering for Laboratory
- Involvement in resolution of equipment problems
- Performing MSLT and MWT studies
- Some evening polysomnography cover
- Participation in in-service training program and external scoring proficiency

### **Essential Skills:**

- Problem solving skills
- Compumedics Sleep System – Grael, Somte PSG
- Excellent computer skills
- Outlook, word, excel proficiency
- Experience with ResMed, Philips and Fisher and Paykel CPAP and Bi-Level devices and masks

### **Education:**

- It would be desirable for the candidate to have Bachelor in Science or equivalent and/or RPSGT and at least 5 years' clinical experience in a Sleep Laboratory.
