

NATA Technical Assessor Development Program

Auckland 2017

NATA relies heavily on the specialised knowledge and experience of its volunteer technical assessors. Technical assessors work closely with and provide support to the NATA lead assessor (NATA staff member) during the assessment of facilities

For the last few years NATA has been offering the one day Technical Assessor Development Program (TADP) before the Annual Australasian Sleep Conference

This course is offered at no charge.

This year the Technical Assessor Development Program (TADP) will be:

Date: Tuesday 24 October 2017

Venue: Crowne Plaza Auckland 128 Albert Street Auckland, 1010.

Time: 9am to 5pm

If you meet the following criteria and would like to attend the Technical Assessor Development Program (TADP). Please contact NATA training Services on [:trainingservices@nata.com.au](mailto:trainingservices@nata.com.au)

- Relevant recognised professional qualification (including membership with ASA plus/minus ASTA membership);
- 5 years clinical practice experience post qualification;
- Recent experience (last 5 years) in a clinical sleep service offering a comprehensive range of clinical management and laboratory testing;
- Scientists and physicians should understand the practical, scientific and managerial aspects of the sleep laboratory service;
- Evidence of regular participation in continuing professional development e.g. attendance at meetings, conferences, publication of papers, etc.;
- Willingness to participate in 1 to 2 assessments per year.
