

Grade 2 Sleep Scientist/ Technician

Permanent part-time

The Hospital

Owned and operated by Ramsay Health Care, Australia's largest and most respected private hospital operator, **Mitcham Private Hospital** is a fully accredited, 121 bed acute medical, surgical, maternity, sleep and mental health facility, providing for the healthcare needs of Melbourne's outer eastern communities.

Our five modern operating theatres are equipped with the latest technical equipment, supporting minor and complex surgery. For acutely ill patients or following major surgery, the three bed High Dependency Unit provides constant care and supervision to patients requiring specialist attention.

The Sleep Centre

The Mitcham Sleep Centre is a 6 bed, NATA accredited unit that currently operates 5 nights a week. It is supported by a team of accredited, experienced Sleep physicians, scientists and nursing staff. The centre opened in 1998 and provides comprehensive assessment and management of a range of sleep disorders.

The Position

We are requiring a scientist/technician to join our team to work a mixture of day and night shifts. You will be required to

Night:

- Set patients up for overnight PSG
- CPAP mask fitting
- Observing them during the night and providing treatment of CPAP overnight/MAS
- Performing as required Split studies.

Day:

- Score sleep studies and type reports
- Perform MSLT/MWT tests
- Answer phone call inquiries and make bookings as required.
- Be involve in quality assurance, infection control and OHS programs
- Participate in staff meetings.

The skills and experience required

Essential

- Hold a medical scientist degree
- Have relevant experience working in sleep.
- Highly developed communication and interpersonal skills
- Demonstrated ability to work effectively in a team environment and autonomously when required
- Commitment to improvement and excellence in the delivery of outcomes
-

Highly recommended

- BRPT or working towards the BRPT
- Working with Compumedics equipment

Culture & Benefits of joining the Mitcham team

We value our staff and provide a wide range of attractive local and national employee benefits including:

- Staff recognition and reward programs
- Employee Benefit club offering discounted health & leisure choices
- Access to Ramsay corporate discounts including discounted private health insurance choices, discounted IT hardware & software & travel/holiday discounts
- Staff Wellness Program and access to a wide range of wellness options both locally and via the Ramsay intranet
- Employee Assistance Program
